OFFICE OF PETITIONS

Sir:

Small entity status was established in good faith and fees were paid as a small entity in good faith in the above-indicated patent application. It was later discovered that such small entity status was established in error or that through error the Office was not notified of a loss of entitlement of small entity status as required by § 1.27(g)(2). Applicant respectfully requests that the error be excused and in compliance with 37 C.F.R. §§ 1.28(c)(1) and 1.28(c)(2) submits the required itemization of deficiency payment and payment of the deficiency owed.

The current fee for the Request for Continued Examination (RCE), additional Independent Claims, and extension fee is \$1,110 (large entity). A payment of \$555 (small entity) was paid on or about July 30, 2007. Therefore a balance of \$555 is due to cover the difference in small to large entity status.
